YOUR GATEWAY TO EUROPE

Many international companies have chosen Bremen as their branch site abroad. Because of its prominent location in the middle of Europe and its high-capacity ports. Because of its low cost and highly skilled workers. In short, people have chosen Bremen because it opens up a wide range of options for economic success – and gives you direct access to the European markets.

Bremen boasts a highly dynamic mix of industries. The main focal points are:

- automotive
- aerospace
- food and beverages
- logistics
- life sciences
- IT

Bremen is Germany's "brand capital", being the home of such global players as Beck's, DaimlerChrysler, Kellogg's and Kraft Foods, to name only a few.

Furthermore, Bremen has developed a tightly knit network between its universities, institutes, authorities and the regional economy. Thus, innovation and fruitful collaboration are a trademark of the 600,000-strong metropolis on the River Weser. Become part of this network – and experience what Bremen can do for you.

BRANCH OUT THE EASY WAY

Modern, well furnished, a quiet but central location, with a large number of offices on five floors: Welcome to the WTC!

Opened in 1991, the WTC was the first institution of its kind in Germany. For more than ten years now the WTC has provided national and international companies with superbly equipped premises at a central and attractive location in the Hanseatic City of Bremen. BIG, the central service provider for regional and business development in Bremen, is the operator of the WTC.

The Bremen Starter's Package includes an office in the WTC and connects you with the in-house community, consisting of many national and international companies and a competent team of business development experts who cater to your needs to ensure success in establishing your branch in Bremen.
